ELECTRONICS

1st Gen iPad, 16GB Wi-Fi, w/case & charger, like new! - \$300 (Chicago)

I'm selling my 1st Generation iPad. It is in perfect condition and working order and I'm only selling it because I just lost my job. Otherwise I would keep it if for no other reason than the Netflix app that alone is worth the price. It's the Wi-Fi model, and comes complete with the charger (for both USB and wall outlet) and a nice leather case. There is absolutely nothing wrong with the item, as I said.

Please let me know if you're interested. I could accept cash or even PayPal if you'd prefer pay by credit card, whatever is best for you. Just let me know! Thanks! **Email:** dvrbf-2830693972@sale.craigslist.org
